LONMAN PRODUCTIONS has been in business now for the past year. Lonnie has been working in the Karaoke Industry for nearly 4 years. He's worked with some awesome companies, but decided it was time to branch-off on his own.

When Lonnie started his own company, he had less than 1,200 songs, but now has nearly 3,000 songs from which to choose. Currently, he has one system, consisting of quality components with great sound, but he has hopes of having 3 systems by the end of 1995.

Lisa Allen has worked with Lonnie from the start. She is a great host with a fiery spunk that gets her crowd motivated. She manages Lonman Productions, so Lonnie can deal with new clubs and parties.

Anthony Walmer also hosts for Lonman. He's a real fun host that keeps his audience entertained. Lonnie says they try their best to run a fair show with no favoritism, they have dancing where permitted, and games & prizes at some clubs. You can sing with Lonnie at Angelo's in Parkland on Sundays, Denny's in Lakewood on Mondays, and the Thunderbird Sports Bar (the "T-Bird"), in Tacoma on Tuesdays. Sing with Lisa at the T-Bird on Wednesdays & Thursdays or with Anthony on Fridays & Saturdays. FYI: Lonnie is also the TIKI's Tacoma distribution person.

Thunderbird Sports Bar

7121 Waller Rd E Tacoma, WA (206) 536-92-61

Singing Karaoke at the Thunderbird can be an exciting experience! There is always something happening. Singers from all walks of life lift their voices on Tuesdays and Wednesdays for the cash drawing of \$25.00 "just for singing".

Dust off your dancesteps to "Woomp, There It Is", for prizes for the most original "Electric Slide" steps, so...practice your choreography and come dance!

Thursdays' Host is Lisa, of Lonman Productions, with "Let's Make A Deal!". This is always fun and she gives you choices of prizes or trades for the person that has ...a calendar or a photo with more than 3 people in it... library card...gas card...condom..for safe sex, of course, or anything else Lisa can think up. It pays to come prepared - and it's "put your hands together in a rapid motion", as you roll for the \$ amount you will receive from the Thunderbird.

The Thunderbird Sports Bar takes great pride in giving you Great Service & Fun, Good Food & Drinks. Karaoke is sung here Tuesdays through Saturdays with Lonnie, Lisa & Anthony.

Darts and Happy Hour are additional incentives, with Special Events the norm rather than the occasion. We are proud to promote this location for your singing and listening pleasure. The "T-Bird" is located at the corner of 72nd and Waller Rd. in Tacoma.
